Bronx, N.Y.

Dear Sir:

Mr. Newell handed to me the other day some coins with the understanding that we might select what pieces we desired as addition to our Collections and return the balance to you.

We have had pleasure in retaining four silver and thirteen copper and nickel coins, and on behalf of the Society, I wish to thank you very sincerely for this gift. We greatly appreciate your thought for our Museum.

We are returning the remainder of the coins by parcel post.

Again thanking you.

Very truly yours,

Curator

Mr. Edw. J. Newell,  
Pres. Am. Numismatic Society  
N.Y. City.

Dear Sir:-

I received a letter Mr. Howland Wood this morning together with a package containing some of the coins I left with you a week ago.

When I left the coins with you I had not yet read Chapter V of the By-Laws of the Society's Constitution, and therefore I waive the proviso I made in reference to your taking only those that would be of interest to the Society.

Since I feel that they will be better disposed of by the Society than by myself I will return them to your care.

Since you kindly offered to propose my name for membership I am enclosing an application card.

Yours very truly  
Wm. Frazee Strong

Dear Sir:

Mr. Newell handed to me the package of coins which I returned to you a few days ago.

Again I want to thank you for your gift to the Society. Everything is grist to our mill, and anything that we can sell in the way of duplicates is just that much an addition to our Coin Purchasing Fund.

With sincere thanks for your support,

Very truly yours,

Curator
